Program Notes

Vittorio Monti (1868-1922) was an Italian composer, conductor and violinist. He composed many works, including large scores for ballets and operettas. He is remembered almost exclusively for his Czardas, originally composed for solo violin with piano accompaniment, which is synonymous with Gypsy music. **Czardas** has been extensively recorded, notably by the trumpet virtuoso Rafael Mendez, and has been featured in many film and broadcast productions. Montgomery.

Performance Notes

This solo is designed for use by potentially many different solo instruments. It is probably best suited as a flute or violin solo; however, saxophone and clarinet players of advanced technique, particularly in multiple tonguing, will find this solo to be an excellent showpiece for virtuoso technique. It is also feasible for trumpet, euphonium, or horn, and solo parts have been provided for all of these options.

The band accompaniment was constructed to allow bands to prepare in limited time, and the technical demands of the accompaniment are minimal. The sections in D Major include liberal use of cautionary accidentals, as many bands have limited experience in this key.

About the Arranger

St. Louis native Andrew Glover joined the staff of the C. L. Barnhouse Company in October 1998, and serves as staff composer, arranger, editor, and Executive Vice President. Previously, Glover taught instrumental music in the St. Louis area, most recently as Director of Bands at Rosary High School. He received a Bachelor of Music Education degree from Central Methodist University and did graduate work at Southeast Missouri State University.

As a composer and arranger, Glover has over 200 works to his credit. He began writing music for band while in high school, and his music has been performed, recorded and broadcast by bands worldwide. He has appeared as guest conductor, clinician and speaker in over 35 states, and for many years also performed as a euphonium soloist. For four years he was a member of the Detroit Concert Band, conducted by Dr. Leonard B. Smith, and participated in numerous recording sessions with the DCB.

An enthusiast of classic concert band music and history, Glover is not only involved in new music production at Barnhouse, but also oversees the company's 125-year archive of publications, which serves as the main source for Barnhouse Archive Editions. He is a member of ASCAP; Association of Concert Bands, where he serves on the advisory council; and is conductor of the Windjammers, Unlimited Education Band.

The Barnhouse SPOTLIGHT SERIES For Concert Band
