

Intermediate Contemporary Scale Studies

24 Exercises for the Clarinet

KALMEN OPPERMAN

Articulation Explanation

Below are a variety of articulations that should be utilized.
Always practice the studies using these articulations, then play the studies as written.
Start each study slowly. When comfortable, increase the tempo.

Younger students may easily avail themselves of the *Intermediate Contemporary Scale Studies* by simply altering the speed of the studies to comply with their level of technical development and playing range, i.e., changing written:
