Verse 1

A | | | |
 Back to you. It always comes around.

F#m7 | | | **Bm7**
 Back to you. I tried to forget you,

| **E**
 I tried to stay away,

| **F#m7** | |
 But it's too late.

A | | | |
 Over you, I'm never over,

F#m7 | | | **Bm7**
 Over you. There's something about you,

| **E**
 It's just the way you move,

| **F#m7** | | ||
 The way you move me.
