

# Star Wars Medley

**Music by John Williams**

**Arranged by Eric Kalver**

## Performance Notes

This medley consists of three of the most popular *Star Wars* themes from the original trilogy: "Star Wars Main Theme," "May the Force Be with You," and "Darth Vader's Theme (The Imperial March)." When playing the main theme, be sure the players are playing it with as much gusto as possible. It should feel royal and majestic, grabbing the attention of the audience from the recognizable intro. "May the Force Be with You" is the "ballad" of the medley, and should be played cautiously and mysteriously. The music is a hauntingly epic melody that should gradually build to the big and staccato "Darth Vader's Theme (The Imperial March)." This should be played with a commanding power that makes you sense "the dark side of the Force." When the medley returns to the main theme, drive the energy to the end of the piece and finish with the last note ringing out.
