Più pesante, $\text{♩} = \text{ca. } 46$

Note for the conductor: Don't conduct the tempo anymore, just indicate the numbers with your fingers.
 Each player should play his or her part without regard to the other players, but approximately a tempo.

Note for Clarinet, Alto and Bass Clarinet: Individually play moderately fast legato patterns using all indicated notes in five notes, thereby creating a dense sound layer.
 Note for Bongos and Cajon: Where indicated, these instruments coordinate themselves without conductor.
