F. CONCERTO POUR HAUTOIS EN RE MINEUR – Alessandro Marcello/arr. Willy Hautvast.
On a longtemps cru que ce concerto pour hautbois était l'œuvre du frère cadet Benedetto Marcello. L'œuvre était tellement connue qu'elle suscita pas mal d'intérêt et c'est ainsi que J.S. Bach l'arrangea pour clavecin (cembalo). La première partie a les caractéristiques de la ritournelle (intermède instrumental répétitif). La deuxième partie est un adagio avec une certaine tension, tandis que la troisième partie est un presto virtuose de construction légère. Cet arrangement comprend la partie de solo d'origine, mais celle-ci peut être adaptée par le soliste.

E. OBOE CONCERTO IN D MINOR – Alessandro Marcello/arr. Willy Hautvast
For many years, this oboe concerto has been attributed to the younger brother Benedetto Marcello. The composition was so popular that it drew J.S. Bach's attention and he made an arrangement for cembalo. The first part has the characteristics of a ritornel (repetition of an instrumental intermezzo). The second part is an Adagio full of tension, whereas the third part is a loosely constructed and virtuosic Presto movement. This arrangement comprises the original solo part, but the soloist can adapt it by means of personal variations.
