## **Program Notes**

This twist on “O Christmas Tree” will surely be a holiday favorite. Based on the traditional carol, a jazzy samba percussion beat is added to give a fresh and lively feel that will brighten any concert program. This arrangement takes the well known tune’s 3/4 time signature and changes it to a more familiar 4/4. With many percussion parts, safe doublings throughout and a groovy Latin beat, this is sure to be your audience’s favorite selection on your Christmas program!
