Program Notes

Beginning musicians will enjoy this bold work that's been carefully written for their very first concert. Using only the first few notes taught in beginning band methods and with slightly more challenging percussion, this entertaining and educational program piece will be a concert favorite. Fun and easy to play, it's just the right piece to encourage and excite your young players.

About the Composer

David Gorham has been director of bands at Owasso, Oklahoma High School since 1989. The Owasso bands enjoy a wonderful reputation as being one of the finest school band programs in the nation, consistently receiving superior ratings in competitions for many years while performing some of the finest band literature available. In addition to performances throughout the state and region, the band has appeared in the Pasadena Tournament of Roses Parade on three different occasions. With over 50 band compositions published by Wingert-Jones Publications, Gorham has clearly established himself as one of the premier composers of music for school bands, not only in the United States, but throughout the world.
