Program Notes

Luminance is the state of being luminous (producing a bright, steady light). The spirit of the work reflects the title and is shimmering and exuberant. *Luminance* starts with a bold, rhythmic statement from the ensemble, which leads to an energetic theme and background at letter A. This section leads to a modulation at letter F with a valiant statement from the brass. This section reaches a climax and the tempo slows to a more lyrical section at letter H. This section is darker in character, as it navigates through a number of harmonic twists and turns. The middle section brings us back to the light, with a return of the original tempo and brass statement from letter F (in a new key). The piece drives to a rousing conclusion, with glittering statements from the entire ensemble.
