F O R W A R D

The eight solos in this collection are suitable for pedagogy, contest, recital, jury, and audition purposes and are written for a 5-piece drum set (snare drum, bass drum, high, medium and low toms). These solos explore the rhythmic, dynamic, and tonal possibilities of the drum set, with the use of sticks, brushes, fingers, timpani mallets, etc. Styles include jazz (hard bop, swing, waltz), rock (classic and funk), Latin and ethnic.
