Program Notes

Travel back to the times of the oldest human civilizations, whose very existence seem to us today as ghosts of a dead past. The solo flute and solo trumpet provide musical invitations for listeners to transport themselves to these ancient times while the band answers with antiphonal response. The work continues to gain momentum throughout as *Ancient Apparitions* swirl in and out of sight like spinning wisps of mist, gaining strength and substance as they approach the unyielding vortex of the exciting conclusion.

About the Composer

John Prescott is a Professor of Music at Missouri State University, where he teaches theory, composition, and commercial music. His compositions include works for band, orchestra, chorus, solo, and chamber ensembles, as well as multi-media pieces, and have been performed nationally and internationally. Dr. Prescott holds degrees in music theory and composition from Florida State University and from the University of Kansas, where he studied composition with John Pozdro and James Barnes.
