#### **Note-Reading Rhythms/Exercises**

#### Lesson One

Playing quarter notes, quarter rests and half rests 16-Bar Exercise	
Lesson Two Playing quarter notes, quarter rests and half rests in unison 16-Bar Exercise	
Lesson Three Playing quarter notes, quarter rests and half rests independently 16-Bar Exercise	
Lesson Four Playing eighth notes and quarter notes	
Lesson Five Playing dotted eighth/sixteenth notes and quarter notes	
Lesson Six Playing eighth-note triplets and quarter notes1 16-Bar Exercise1	
Lesson Seven Playing eighth-note triplets, eighth notes and quarter notes 16-Bar Exercise 1	
Lesson Eight Playing eighth-note triplets and dotted eighth/sixteenth notes1 16-Bar Exercise1	
Lesson Nine Playing sixteenth notes and quarter notes	
Lesson Ten Playing sixteenth notes and eighth notes	
Lesson Eleven Playing sixteenth notes and eighth notes	8
Lesson Twelve Playing eighth notes, eighth rests and quarter notes3 48-Bar Exercise	

## Syncopation

<b>Syncopation Set 1</b>
<b>Syncopation Set 2</b>
<b>Exercise One</b>
Exercise Two

<b>Exercise Five</b>
<b>Exercise Six</b>
Exercise Seven
Exercise Eight45
Exercise Nine
Lesson One Accented eighth notes
Lesson Two Accented dotted-eighth/sixteenth notes
Lesson Three Accented eighth-note triplets
Lesson Four Triplets with mixed sticking
Lesson Five Accented sixteenth notes

# Foreword

In every band or ensemble, the drummer is called upon to give that group a solid rhythmic foundation. Therefore it is important that every drummer have excellent music reading skills. The goal of this book is to first introduce basic music reading skills and then to explore many of the most common syncopation rhythms found in today's music.

Here are some suggestions on how to practice the rhythms and exercises found in this book:

- 1. Count out loud. This is a "must" in order to become a good reader.
- 2. Practice at various tempos from slow to fast.
- 3. Work on incorporating the syncopated rhythms you learn in this book around the full drumset (toms, cymbals, hi-hat, etc.).
- 4. Devote some of your practice time to playing with a metronome.

Remember, there is no substitute for a good teacher.

Since its publication, many drummers have asked me how I was inspired to write *Progressive Steps to Syncopation for the Modern Drummer.* 

I was teaching drums at the Hartnett Music School, located at 1585 Broadway in New York City. I gave 85 half-hour lessons each week and had approximately 55 students (some took two lessons a week). I taught Monday through Friday, 9:00 a.m. to 2:00 p.m. and 6:00 p.m. to 10:00 p.m. In each half-hour lesson, I would listen to the student's last lesson and then write, demonstrate, explain and play with them on their new lesson. Since I could not find any books on syncopation, each lesson had to be written out individually.

When I would get home at night, my hands and arms would ache as a result of having to do so much writing. It was then that I decided to write the lessons out on manuscript paper. I wrote every night from midnight to 4:00 a.m., until I had a total of 60 pages. I had 200 copies of each page printed, which enabled me to hand whatever page was needed to a student—no more writing out each lesson every time.

I was careful to protect my original work from plagiarism until I received an official copyright from the Bureau of Copyrights in Washington, D.C. I had it published in 1958, and the book has sold very well ever since. Thanks to many teachers and drummers it is now one of the most popular drum books ever written.
