TO THE DIRECTOR

The key to the success of this chart is in the feel of the rhythmic groove. While the chart is written in 4/4, the chart will feel best when felt and played in a 2/2 manner. Horn players should closely observe all articulation markings. Most of the ensemble work is rhythmically the same, so the band should come together on the chart fairly quickly.

The solo section at measure 53 may be opened up. Improvisation should be encouraged, and backgrounds may be cued as desired. Drums are featured around the ensemble beginning at measure 63. The bridge returns at measure 79 and the ensemble takes the chart out.

All charts in the Jazz Foundations Series are scored in a flexible format for four horns plus rhythm section to accommodate young jazz groups. Once each of these four parts are covered, the chart will sound full and complete. Additional players may be added to each basic part as long as some attention is paid to maintaining good overall balance. Optional parts are also provided for flute, clarinet and horn in f. A sheet of sample solos in transpositions for all instruments is also included with every chart.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.

***Doug Beach** has built a career that includes performing (trumpet), teaching, adjudicating, publishing and composing. Inspired by his interest in playing, writing and teaching, in 1975 he established the publishing company which bears his name. Three years later, Doug joined the faculty of Elmhurst College in Illinois as director of jazz studies; in the years since, his band has toured Europe often and has appeared with jazz greats Gary Smulyan, Dennis Mackrel, Nicholas Payton, Dee Dee Bridgewater, Patti Austin, Lee Konitz, Jeff Hamilton, Bobby Shew and others. In 1996, the Count Basie Orchestra and New York Voices recorded his arrangement of "Cottontail" on a CD that went on to win the Grammy Award for best large jazz ensemble.*

***George Shutack** is widely regarded as one of the leading composers of jazz ensemble music for younger players. While he has written many more challenging works, he is best known for his charts at the grade 2-4 levels. A keyboard player living in the Chicago area, George has been writing for Doug Beach Music since 1978. In addition to being one of the core staff writers, he is also responsible for many of the decisions regarding the company's musical direction. With over 125 compositions to his credit, George is one of the most active writers in jazz education today.*
