TO THE DIRECTOR

A strong sense of time and close attention to articulations are the cornerstones to success with this chart. Make sure there is a good balance between trumpets and trombones on the melody at measure 11. Also, all five parts need to be heard on the sax soli beginning at measure 35.

The solo section at measure 47 may be opened up as desired (solo sheet provided). Cue the backgrounds as needed. Start easy on the ensemble at measure 59, crisp articulations are essential here. The drums should build into the shout chorus at measure 71. The chart goes out strong from there to the end.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.

Doug Beach has built a career that includes performing (trumpet), teaching, adjudicating, publishing and composing. Inspired by his interest in playing, writing and teaching, in 1975 he established the publishing company which bears his name. Three years later, Doug joined the faculty of Elmhurst College in Illinois as jazz band director; in the years since, his band has toured Europe often (twice at the invitation of the U.S. State Department) and has appeared with jazz greats Clark Terry, Diane Schuur, Louie Bellson, Bobby Shew and others. In great demand as a clinician and adjudicator throughout the U.S. and Canada, Doug has also been artist-in-residence on two different occasions for the Illinois Arts Council.
