TO THE DIRECTOR

This chart features trumpet in a setting that does not demand that the solist is featured throughout. All eighth notes are to be played evenly with the groove being a rock ballad once the full rhythm section enters at measure 13. The groove does get broken at measure 25, where the emphasis is on beats 2 and 4.

The soloist may improvise during the section from measures 37-44 (written solo also provided). The ensemble should get bigger at measure 53, and the written 4 bar piano solo at measure 61 leads to the final melodic statement by the trumpet soloist.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.

Doug Beach has built a career that includes performing (trumpet), teaching, adjudicating, publishing and composing. Inspired by his interest in playing, writing and teaching, in 1975 he established the publishing company which bears his name. Three years later, Doug joined the faculty of Elmhurst College in Illinois as director of jazz studies; in the years since, his band has toured Europe often and has appeared with jazz greats Gary Smulyan, Dennis Mackrel, Nicholas Payton, Dee Dee Bridgewater, Patti Austin, Lee Konitz, Jeff Hamilton, Bobby Shew and others. In 1996, the Count Basie Orchestra and New York Voices recorded his arrangement of "Cottontail" on a CD that went on to win the Grammy Award for best large jazz ensemble.

George Shutack is widely regarded as one of the leading composers of jazz ensemble music for younger players. While he has written many more challenging works, he is best known for his charts at the grade 2-4 levels. A keyboard player living in the Chicago area, George has been writing for Doug Beach Music since 1978. In addition to being one of the core staff writers, he is also responsible for many of the decisions regarding the company's musical direction. With over 125 compositions to his credit, George is one of the most active writers in jazz education today.
