TO THE DIRECTOR

This chart utilizes a variety of rhythmic figures commonly used in rock and funk charts. It is playable by as few as 9 players and expandable to full big band instrumentation (17 players). The solo section features written or ad lib solos for any player using the solo sheets provided.

It is important to observe the metronome marking suggested, and ensure all articulations and dynamic markings are played to give the piece a lively performance. Rhythm sections with more experience may use their own voicings and comping rhythms, though following the written parts works nicely as well.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.
