TO THE DIRECTOR

This accessible original utilizes a variety of rhythmic figures and features a groove that is reminiscent of the popular Michael MacDonald and Doobie Brothers tunes of the 1980's.

Adhering to the indicated metronome marking as well as observing all articulations and dynamic markings will give the piece a lively performance. Rhythm sections with more experience should feel free to use their own voicings and comping rhythms, though following the written parts works nicely as well.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.
