TO THE DIRECTOR

The beginning section of this tune should remain very light and crisp in the accompaniment. There are a lot of independent sections, so don't let the time drag while listening to the different rhythms going on.

Alto and tenor saxophones have the melody; the long notes are sfp, make sure that the group does not crescendo! Measures 59-60 is a break lead-in to the saxophone soli - bring up the volume a notch here. This is also the first spot in the piece with a walking bass part. Dig into this and swing hard.

The second half of the saxophone soli should build up to the solo section, and the fall at measure 108 can overlap into the solo. Be careful of the dynamics during the solos. After the last solo, build the 5th ending to a strong fortissimo for the shout chorus at measure 137. Drums should play heavy accents on beats 2 & 4 for this section. Measure 161 starts the last tri-tone build up to the big finish. Another long fall in the last measure will finish the tune.
