TO THE DIRECTOR

Written as a tribute to jazz legend Oscar Peterson, this chart is built on a strong swing feel, blues based changes and voicings that are characteristic of his sound. The repeated use of triplets in this chart makes it an excellent vehicle for instilling the triplet sub-division into the vocabulary of young players.

The rhythm section should work to create a solid half-time or 2-feel on the opening melody at measure 9. This sets up the contrast that occurs when the 4-feel takes over at measure 21. Horn players should pay close attention to all articulation markings throughout the chart.

The first soloist has solo breaks beginning at measure 35 and continues into the open solo section that begins at measure 45. This section may be opened up as desired. While written solos are provided, improvisation should be encouraged, backgrounds may be cued as desired. The full ensemble work takes the chart out with the piano leading us to the last note.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.

George Shutack is widely regarded as one of the leading composers of jazz ensemble music for younger players. While he has written many more challenging works, he is best known for his charts at the grade 2-4 levels. A keyboard player living in the Chicago area, George has been writing for Doug Beach Music since 1978. In addition to being one of the core staff writers, he is also responsible for many of the decisions regarding the company's musical direction. With over 125 compositions to his credit, George is one of the most active writers in jazz education today.
