TO THE DIRECTOR

Swinging hard from the start, this is an energetic, up-tempo swinger that works well as an opener, closer or festival piece. Powerful ensemble figures and linear sectional writing give the entire band an opportunity to shine.

Closely modeled after Don Menza's great chart written in the 1970's for the Buddy Rich band, "Time Check", ensemble figures should be crisp and tight, with the drummer catching all the hits and driving the band. It is important that the counterpoint between the sections at measure 23 is balanced. The solo section at measure 41 is a 16-bar form in F minor which can be opened up for multiple soloists, with the backgrounds on cue. Following the solo section, measure 57 gives the saxophone section a chance to shine.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.
