ABOUT THE COMPOSER

Tyler Arcari (b. 1989) is a composer, clinician and teacher whose music is played throughout the United States and abroad. He received his B.A. and M.S. degrees in music education from Troy University where he studied with composer Ralph Ford and Dr. Mark J. Walker. As a teacher, Tyler has taught at both the middle school and high school levels. As a high school director, Mr. Arcari's bands consistently received superior ratings at contests and festivals. As a composer, Tyler draws on his experience as an educator to craft music that is both sophisticated and geared towards student performance.

His music can currently be found published through Carl Fischer Music and Excelcia Music Publishing, LLC. His original works have been featured on Bandworld Magazine's Top 100, All-State programs as well as numerous state contest lists. As an arranger, Tyler has worked with many high school, university, and community groups. Most recently he has collaborated with the Pensacola Civic Band with commissioned works for Carl Hilding "Doc Severinsen" and vocalist Holly Shelton. As a Clinician, Tyler has appeared as composer in residence as well as guest clinician for honor bands.

Currently, Tyler serves as the Instrumental Music Editor and exclusive composer with Excelcia Music Publishing, LLC; a publishing company based in Lakeland, Florida created by composer Larry Clark. In his spare time Tyler enjoys playing fantasy-world video games and building his own computers. He is an avid animal lover and lives in Lakeland with his 2 rabbits, Maximus and Marshmellow as well as a peach cat named Otis and an old Dog named Walter.

ABOUT WHEN WE GO

When We Go was written December 2017 after a rather stressful week of musing about life and death. As we get older we often times pause briefly to reflect on where we are, where we've come from, and if we feel like we have done what we are capable of doing with the time that we have used. During this time, I had just said goodbye to two friends who had been with me for 19 years (over half of my life at the time). To me, the time they were here never seemed enough; to them it was a lifetime. Pondering our time on this special planet and gauging its significance to us, to others, and to the test of time is one of life's great mysteries. *When We Go* is just my brains way of trying to work that out.

A handwritten signature in black ink, appearing to read "Ty Arcari".
