Music Publishing AND MORE

I awoke feeling excited on my birthday - not to celebrate another year older, but for the impending birth of my first child. She would be here in a couple of weeks and I began thinking about how much richer my life was about to be, despite the challenges that come with a newborn. One obvious obstacle is the lack of sleep that most new parents endure, so I knew that I wanted this lullaby to incorporate the sounds of a jewelry box (depicted by the Piano and metallic percussion). When it came to inspiration for a title, the words of Amy Krouse Rosenthal and Tom Lichtenheld's book *I Wish You More* worked perfectly. I found these words to be just as meaningful for me as they are for a child. *And More* is a lullaby and a song of hope for my daughter. My hope is that it will put us back to sleep and that our happiest dreams will come true.
