THE COMPOSER

JaRod Hall (b. 1991) is a Texas-native educator, performer, and composer. He holds a bachelor's degree in music education from the University of North Texas where he studied conducting with Nicholas Williams and Dennis Fisher. JaRod's bands have received consistent sweepstakes awards at the Texas University Interscholastic League Concert and Sight-reading Evaluations and have been recognized at the state level. In 2018 and 2019, JaRod's bands at Griffin Middle School earned the Citation of Excellence award, honoring the top two non-varsity bands in the state of Texas.

A passionate performer, JaRod has been a part of many ensembles such as the North Texas Wind Symphony, 3 O'Clock Lab Band, Carrollton Wind Symphony, and Metropolitan Winds. He served as drum major for the 2013 Crossmen Drum and Bugle Corps and was a member of the 2014 Disneyland All-American College Band.

As a composer, JaRod's compositions appear on the Texas Prescribed Music List, The J.W. Pepper Editors' Choice list, and the Bandworld Top 100. His piece *Through the Storm* won the 2021 Barbara Buehlman Prize for Composition, presented by the Midwest Clinic. JaRod is a nationwide marching band and WGI arranger and consultant. He resides in San Antonio, Texas with his wife Rachel.

ABOUT THE MUSIC

A tripwire is a low-bearing laser or string that sets off an explosion, trap, or alarm when touched. This piece follows a team of bandits who must escape a secret hideout without being detected or tripping the wire.

ABOUT COLORFLEX

Conductors no longer need to choose between function and texture! Ensembles with instrumentation challenges still have numerous options to cover all parts, yet orchestration is elevated significantly to be faithful to the composer's original intent. Musicians have more opportunities to rest, and timbre once again becomes a central element of each work. So go ahead and have the best of both worlds: flexible *and* colorful.

ColorFlex orchestration includes seven parts that have unique color functions: High Woodwinds, Mid Woodwinds, High Brass, Mid Brass, Tenor 1, Tenor 2, and Bass. While ColorFlex pieces are highly adaptable, preferred instrument assignments are suggested below. Directors will notice that Alto Sax and Tenor Sax have been included in the High Brass and Mid Brass parts. This provides additional options for those parts, using instruments that can still achieve a similar color intent if necessary.

Part 1 – High Woodwinds (Flute, Oboe, and Clarinet)

Part 2 – Mid Woodwinds (Clarinet and Alto Sax)

Part 3 – High Brass (Trumpet, with Alto Sax provided as a secondary option)

Part 4 – Mid Brass (Horn, then Trumpet—with Saxes provided as secondary options)

Part 5 – Tenor 1 (All listed instruments—Trombone preferred over Euphonium)

Part 6 – Tenor 2 (All listed instruments—Euphonium preferred over Trombone)

Part 7 – Bass (Tuba, Bass Clarinet, and Baritone Sax preferred)

Parts 5 through 7 should be assigned carefully as there are many instrument combinations that can easily result in balance issues. Consider the pyramid of sound approach when assigning instruments to these parts, with everyone listening down to Part 7.

Directors with additional instrumentation challenges may also want to consider the following:

Part 1 – B♭ Soprano Sax doubling B♭ Clarinet

Part 3 – B♭ Soprano Sax / B♭ Clarinet doubling B♭ Trumpet

Part 4 – B♭ Clarinet doubling B♭ Trumpet

DURATION: 3:00

The image shows a page of a musical score for a symphony orchestra. The score is divided into seven parts (PART 1 to PART 7) and two percussion parts (Perc. 1 and Perc. 2). Each part contains staves for different instruments. The key signature is two flats (B-flat major or D-flat minor). The time signature is not explicitly shown but appears to be common time based on the notation. The score includes dynamic markings such as *mf* (mezzo-forte) and *fp* (fortissimo), and articulation markings like accents and slurs. There are also some triplet markings in the lower parts. A large red watermark reading 'Preview Requires Purchase' is overlaid diagonally across the entire page.
