The Composer

Erik Morales (b. December 10, 1966) began his composing career shortly after graduation from high school in south Florida. He studied composition at Florida International University, and completed his bachelor's degree at the University of Louisiana at Lafayette. Accessible at all levels, the music of Erik Morales has a unique melodic and harmonic vocabulary that appeals to audiences nationwide. His published works encompass a large variety of styles and settings, including works for concert, orchestral, jazz, and chamber ensembles. Mr. Morales currently teaches and plays trumpet professionally in the New Orleans area, in addition to maintaining an active composing and conducting schedule.

About the Music

The kaleidoscope is much more than a child's toy. It's a scope that seems to peer into one's innermost creativity. Its characteristics include a constant changing symmetry, angularity and an infinite array of colors. These are the traits that I instill in this composition. Additionally, *Kaleidoscope* features many instruments but focuses on the trumpet section as the piece is dedicated to the memory of Eric Green, a trumpet player in the Trottier Middle School Band who recently passed away. The sound of the trumpets convey the bright, angular characteristics I was striving for. The idea of angles and symmetry are evident from the very first notes played and resonate at different times throughout the piece.

The piece begins in what's best described as a hybrid style of contemporary and Latin jazz (straight 8th notes). One of the more challenging aspects of the piece will be mastering the syncopation in the rhythm section parts. The most important job will come from the drummer's ability to maintain the quarter note=138 tempo throughout the piece. This becomes even more challenging when the piece switches to swing 8th notes at measure 99. The tendency will be to drag the tempo down.

The 16th note runs in the winds are spread throughout each instrument and are simple to master. I specifically designed the 16th note runs to be diatonic and in a very moderate range for each instrument. The challenge will arise from the independence of each line where the 16th notes are present. The section beginning at measure 119 may be repeated as many times as necessary for added soloists. Just be sure to only use the background figures in the horn section for each soloist's last verse.

LATIN JAZZ (♩ = 138) (STRAIGHT 8THS)

7

The musical score is arranged in a standard orchestral format. The top section includes Alto Sax 1 and 2, Tenor Sax 1 and 2, and Baritone Sax. The middle section features four Trumpets and four Trombones. The bottom section includes Guitar, Piano (with grand staff), Bass, and Drum Set. The score is written in 4/4 time with a key signature of one sharp (F#). The tempo is Latin Jazz at 138 beats per minute, with a straight eighth-note feel. The piece is marked with a rehearsal symbol 7 at the beginning of the final measure. The drum set part includes a hi-hat peal in the final measure. A large 'Preview Only' watermark is overlaid diagonally across the score.
