Violin I
Violin II
Viola
Violoncello
Double Bass

PROGRAM NOTE

While Suk was studying under Antonín Dvořák at the Prague Conservatory, Dvořák noticed a melancholy strain in much of Suk's work, and recommended he try writing some lighter and more cheerful music. Based on Dvořák's suggestion, Suk produced the *Serenade for Strings* in 1892. The *Serenade* soon brought Suk considerable fame and Dvořák's longtime supporter, Johannes Brahms, endorsed its publication.
