Trumpet 1 Range:

Ryan Fraley (b. 1973) Ryan's compositions and arrangements have been performed worldwide by jazz ensembles, orchestras, and bands of all levels. He is the co-founder of Wave Mechanics Union, a studio jazz orchestra with two albums released. The most recent album, *Further to Fly*, was named by College Music Journal as one of the top 50 jazz albums of 2013, based on radio plays. Ryan has provided orchestrations for Jon Anderson (vocalist from the band Yes) for various solo projects, and is a frequent recipient of ASCAP Awards. His commissioned music has appeared in films, albums, commercials, and other media.

Fraley holds a master's degree in music composition from the State University of New York at Potsdam, and a bachelor's degree in music theory and composition from Ball State University. He works extensively with publisher The FJH Music Company, and his own HXmusic LLC.

Notes

The New Orleans *Second-Line* groove is based on a 3 – 2 clave pattern:

This is the heartbeat of Second Line, and can be found in music from other regions as well. In Cuban music, the same pattern is called a *Son Clave*.

Kick drum, bass, and guitar should lock together. Younger drummers may find it helpful to start with a simplified pattern on kick and snare such as:

Next, move to eighth notes on the snare, with accents that match the kick drum. High-hat pedal on beats 2 and 4 will give it more of a swing feel:

At this tempo, the swing feel should not be as hard as triplets. The shorter up beats are only slightly shorter than straight eighth notes. The swing feel comes more from the types of rhythms and syncopations employed, and the strong back beat, than from a literal triplet feel. As always, listening to good examples will convey more than any explanation about the style.

Solos are built in. Two choruses of blues can be found in trumpet 1 at measure 41. Written chord changes and a transcription of the recorded solo are both found in the part. Next, two choruses of blues begin in the guitar part (and cued in trombone 1) at measure 65. Again, both the written chord changes and a transcription of the recorded solo are found in the part.
