NOTES TO THE CONDUCTOR

Just for strings, at a perfectly playable level, this arrangement is sure to become a mainstay of your library. The balance of the ensemble is important in this piece. Also, keep the tempo steady and take care that the various sections do not rush their entrances. Handel did not provide dynamics; however, suggested dynamics have been added to the score.

Have fun and enjoy the music!

Bob Cerulli

NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.
