About the Music

This catchy but sophisticated march from *Babes in Toyland* will be perfect for your winter concert. Your audience will be clapping along from the opening fanfare to the last note. It is sure to be a winner.

String players do not often have a chance to play marches like this on their own. Clear articulated bowings will help capture the spirit of the piece. Don't be afraid to be less than tasteful on the big retard in measure 48. Have fun with this and enjoy!
