PROGRAM NOTES

When the Trumpets Sound is a suite of three movements for eight trumpets. Each movement considers the number eight in a different manner.

The opening *Fanfare for Eight* is “music for all.” The theme, a straightforward motive presented a few measures into the music, is uncluttered and energetic. All play. Chords are often built through adding tones in ascending structures. This is a fanfare of strength.

When There Are Two features a theme for solo Flugelhorn, then answered by a second Flugelhorn. The warm tone of Flugelhorn is enjoyed in this plaintive song. In the background, the other six trumpets provide a gentle, “fluttering” background of “wawa” chords. A simple, sparse texture was chosen for this mournful expression.

The last movement, *Four by Four*, is joyous music in a swing rhythm. As the title might suggest, this is a “repartee” between two groups of four trumpets. Ideas bounce back and forth as each group imitates one another. Various tone colors (effects) are employed to allow players to enjoy their instruments to the fullest. These include hand-over-bell muting (for visual as well as audible interest), rattling valves (done noisily, in jest) and plenty of vocal rhythms. Ta-ta-ta...

THE COMPOSER

Widely performed throughout the country, the music of American composer Gwyneth Walker is beloved by performers and audiences alike for its energy, beauty, reverence, drama, and humor. Dr. Gwyneth Walker (b. 1947) is a graduate of Brown University and the Hartt School of Music. She holds B.A., M.M. and D.M.A. degrees in Music Composition. A former faculty member of the Oberlin College Conservatory, she resigned from academic employment in 1982 in order to pursue a career as a full-time composer. For nearly 30 years, she lived on a dairy farm in Braintree, Vermont before returning to live in her childhood hometown of New Canaan, Connecticut.

A composer since age two, Gwyneth Walker has always placed great value on writing in a broad array of genres. More than 400 commissioned works for orchestra, chamber ensembles, solo instruments, chorus, and solo voice have been created—all arising from the impetus of performers and collaboration with musicians. Over the decades, she has traveled throughout North America to attend performances of her works and to meet her musician colleagues.

Gwyneth Walker is a proud resident of New England. She was the recipient of the 2000 “Lifetime Achievement Award” from the Vermont Arts Council and the 2018 “Alfred Nash Patterson Lifetime Achievement Award” from Choral Arts New England. In 2020, her alma mater, the Hartt School of Music of the University of Hartford, presented her with the Hartt Alumni Award.

Walker’s catalog includes musical works of many sorts: arrangements of traditional folk songs; original music in both vocal and instrumental genres inspired by great American poetry; dramatic works that combine music with readings, acting, and movement; works for student performers of all ages; and large-scale pieces for professional players and ensembles. The music of Gwyneth Walker is published by E.C. Schirmer (choral/vocal/instrumental music) and Lauren Keiser Music (orchestral/instrumental music).
