Bigger Than the Sky

Jon Bubbett

Imagine floating among the clouds on a beautiful summer afternoon. Making lazy circles and simply floating on the breeze. Taking a pass over people standing on the ground watching until finally floating off into the distance to some place....bigger than the sky.

This very accessible concert band piece will give your students the opportunity to use their imaginations in expressing what these sensations might sound like. There is no right way or wrong way to play this as long as you capture the “spirit” of floating on air.
