About the Music

Revolutions are everywhere in our universe. Whether it is an electron racing around its nucleus or a radical change in thought (depending on interpretation), revolutions play a symbolic yet important part in our everyday lives.

Revolution is a relatively short work based in the classic scherzo form. The furious 3-beat pulse is intended to evoke images of swirling, spiraling colors and dark, passionate, intense moods. The work may be broken down as follows: Primary Theme, measures 1–6; Variation, measures 21–35; Secondary Theme, measures 70–84; Hymn, measures 103–145; Thematic Juxtaposition and Development, measures 146–end. All theme components are used in many different ways throughout the work.

A handwritten signature in black ink that reads "Erik Morales".
