TANTUM ERGO

“Tantum Ergo” foi escrito em maio de 2012 e resultou de uma encomenda do Corpo Musicale Santa Cecilia de Triuggio (Itália), para a edição de 2012 de “Musica Viva – Summer Wind Band”.

A(s) religião(ões) e a adoração do divino tem sido uma constante ao longo da história da humanidade, servindo por diversas (demasiadas?) vezes de pretexto para potencializar simultaneamente as melhores e as piores características da espécie humana.

Tendo como ponto de partida a melodia gregoriana do texto de adoração ao cálice sagrado "Pange Linguae", de São Tomás de Aquino (séc. XIII) e tratando-a, alterando-a e combinando-a de forma absolutamente livre, durante 9 minutos são desenhados diversos quadros que procuram simbolizar vários desses momentos. Quadros de carácter contemplativo sucedem-se a quadros de violência relativa; por sua vez estes dão lugar a novos quadros que, apesar de calmos, remetem, através da imitação de sons de aviões, para o terror da guerra, regressando novamente à contemplação, num desfile desordenado de sons e imagens com as mais diversas simbologias.

Por fim, e porque uma das características da humanidade é o bom senso, a melodia original surge de forma grandiosa, remetendo para um futuro que se abre, em branco e à nossa mercê.

TANTUM ERGO

"Tantum Ergo" was written in May 2012 and is the result of a comission from Corpo Musicale Santa Cecilia de Triuggio (Italy) , for the 2012 edition of " Musica Viva - Summer Wind Band ."

The religion(s) and the adoration of the divine has been a constant throughout the history of humanity , serving for many (too many ?) times as a pretext to boost simultaneously the best and worst features of the human species . Taking as its starting point the Gregorian Text worship holy grail " Pange Linguae " of St. Thomas Aquinas (thirteenth century) , treating it , changing it and combining it so absolutely free for 9 minutes , the score has been drawn looking symbolize several such moments . Contrasting the violence of the frames to frames related violence ; these in turn , contrasting the violence that despite calm , refer , by imitating the sound of the violence of war , returning again to contemplation , in a disorderly way , the images with many different symbolologies . Finally , and because one of the characteristics of humanity is communication , the original melody comes in a big way , referring to a future that opens , blank and at our mercy .
