HEART OF THE HIVE

Heart of the Hive was commissioned by Vincent Ciulla, John Pasternak and Tricia Astey-Radak as a gift of appreciation for the Brecksville-Broadview Heights City School District Band students and families. John Pasternak is a friend and colleague with the Excelcia Music Publishing family. I was touched when he approached me about this commission.

The music is inspired by the school's mascot of a bee. In fact, the first part of the melody is based on those 3 notes: B, E, E. I just modified it a bit to add some flats there to make it more concert band friendly. So it's B♭, E♭, E♭ to start the melody and create the tapestry for this composition. John didn't give me too many instructions for the composition other than to make it exciting and lyrical. Along the way, there are some wonderful rhythmic moments and some engaging pyramids of sound. There are even some cool grooves and layer effects to give your ensemble a rewarding experience while learning a few musical concepts along the way.
