Programme Note

A Portrait of Paris was written for Alexis Demailly and Bastien Baumet of the Paris Brass Band. The three movements, Promenade (aux Champs-Élysées), Sur La Seine and Tour de France, are the composer's musical impressions of some of the city's landmarks and events (with occasional references to a famous Parisian composer thrown in for good measure...)

About the Composer

Born in Scotland, Peter Graham read music at Edinburgh and London Universities (Goldsmiths' College).

His music for brass and wind is performed across the globe, from China, Taiwan, Japan, Korea and Singapore in the Far East, across North and South America and in every major European country. Awards include the American Bandmasters Association/Ostwald Award for Original Composition for Symphonic Winds and the Iles Medal of the Worshipful Company of Musicians
