Concerto

BWV 595 & 984

Johann Sebastian Bach (Arr.: Colette Mourey)

English:

The *Concerto BWV 595 & 984* by Johann Sebastian Bach, in the arrangement by Colette Mourey, highlights the full expressive richness and architectural mastery of Bach's writing.

These two works reflect the influence of the Italian style on Bach, particularly through rhythmic drive, dynamic contrasts, and the virtuosity of the musical discourse. Colette Mourey's arrangement preserves the original spirit while offering a renewed palette of colors and sonic textures. The melodic lines intertwine elegantly within a structure of remarkable clarity. The movements alternate between brilliant energy and more lyrical episodes, revealing the characteristic emotional depth of the composer. The polyphony, always vibrant and expressive, creates a constant dialogue between the different voices. This adaptation also allows audiences to rediscover these pages from a fresh, accessible, and captivating perspective. Between formal rigor and expressive intensity, the work perfectly illustrates Bach's timeless genius.

A vibrant tribute to the art of counterpoint and the elegance of the Baroque style.

Ces deux œuvres témoignent de l'influence du style italien sur Bach, notamment par l'élan rythmique, les contrastes dynamiques et la virtuosité du discours musical. L'arrangement de Colette Mourey respecte l'esprit original tout en offrant une nouvelle palette de couleurs et de reliefs sonores. Les lignes mélodiques s'entrelacent avec élégance dans une construction d'une grande clarté. Les mouvements alternent énergie brillante et épisodes plus lyriques, révélant la profondeur émotionnelle caractéristique du compositeur. La polyphonie, toujours vivante et expressive, crée un dialogue permanent entre les différentes voix. Cette adaptation permet également de redécouvrir ces pages sous un angle renouvelé, accessible et captivant pour le public d'aujourd'hui. Entre rigueur formelle et intensité expressive, cette œuvre illustre parfaitement le génie intemporel de Bach.

Un hommage vibrant à l'art du contrepoint et à l'élégance du style baroque.
